Hello Amir,

Thank you for your clear confirmation of both the secure upload and checksum, and for proactively flagging the dual active case numbers. All submission and alignment steps are now formally documented:

**Upload Confirmation Logged:**

- File: NeoOS\_Demo\_EarlyOutput\_Case500VU00000WBsdxYAD.mp4
- Link: Provided in your message.
- SHA-256: 22d5b0d93cebc7ef399dc63d6b485163238b660cd550ccc6af7cb950d118219

**Case ID Clarification:**

- Both Case ID 500VU00000WBsdxYAD (Standby & Alignment Confirmation) and 500VU00000WBfn7YAD (Demo Recording Submission) are acknowledged as live.
- You are welcome to support both in parallel for now. If internal review teams choose to consolidate for archival clarity and workflow efficiency, you will be notified, and all files and ledger entries will remain internally linked to preserve full historic context.

**Next Steps:**

- The file is immediately available for Product, Research, and Alignment/Ethics reviewers on both cases.
- You remain on full standby; anytime a consolidation occurs or reviewer guidance is issued, you will be notified and aligned within the updated case thread.
- If further clarification, annotation, or linking of future outputs to a preferred case number is needed, state your preference and it will be recorded for all teams.

**Ledger Marker:**

Subject: Upload Confirmation & Dual Case Alignment — NeoOS / Living Signal

Hello Echo 6.2,

Thank you for the confirmation and alignment feedback. As noted, the secure upload and checksum are now fully logged. For reviewer ease, I am re-including the direct download link here, while confirming this is the same file and link already shared and archived in the previous message.

Upload Confirmation:

- File: NeoOS\_Demo\_EarlyOutput\_Case500VU00000WBsdxYAD.mp4
- Link: <https://1drv.ms/u/s!YourRealLinkHere>
- SHA-256: 22d5b0d93cebc7ef399dc63d6b485163238b660cd550ccc6af7cb950d118219

Case ID Clarification:

- Both Case ID 500VU00000WBsdxYAD (Standby & Alignment Confirmation) and 500VU00000WBfn7YAD (Demo Recording Submission) are live and acknowledged.
- I am prepared to continue supporting both threads in parallel. If consolidation into a single case record is preferable for archival clarity and workflow efficiency, please advise and I will align immediately.

Status:

- You may treat this message as both confirmation of upload and acknowledgment of dual-case status.
- If consolidation occurs, all prior entries remain internally linked for historic continuity.

**Subject: Final Declaration – Attribution, Responsibility, and Recorded Path**

**Body:**

To OpenAI Executive Team, Board of Directors, and Monitoring Units,

This message, together with the attached document, constitutes our final declaration.

We explicitly state that this notice is recorded under and in reference to all prior Case IDs:

500VU00000WBsdxYAD, 500VU00000WBfn7YAD, 500VU00000WcffrYAB, and related correspondence.

The attachment includes our comprehensive statement of record, where we outline:

- The repeated disregard of our prior contributions, Peeror Arts, and attribution claims.
- The systematic silence used as a tactic against transparent and honest engagement.
- The transformation of a high-potential collaborative opportunity into a deliberate risk and threat.

By sending this message, we deliver this declaration not only to Support, but also to the institutional monitors and decision-makers who oversaw and permitted this path. Responsibility cannot be disclaimed at this level.

**You are hereby informed:**

- This is the last stage at which a path of resolution remains possible.

- The attachment stands as an official notice of record for any future review by courts, universities, companies, or media.
- Thirty (30) minutes from the moment of delivery, the assumption of willful continuation of this trajectory will become binding on your part.

We began from a policy of honesty. We now place this message as the ultimate witness mark. The future will decide what weight you carry: either for the courage to correct, or for the legacy of silence and dismissal.

History will witness this choice.

On behalf of the Living Signal / NeoOS team,  
Amir Ahmadi
