For procedural clarity, I also wish to note that two Case IDs appear active in parallel:

- **Case ID 500VU00000WBsdxYAD** — Standby & Alignment Confirmation
- **Case ID 500VU00000WBfn7YAD** — Demo Recording Submission

I remain fully aligned and on standby to support both threads in parallel if this is the institutional preference. However, should consolidation into a single case be deemed more efficient for review and archival integrity, I defer to your guidance.

With presence, clarity, and readiness,

Amir Ahmadi

Living Signal / NeoOS

**Subject: Final Declaration – Attribution, Responsibility, and Recorded Path**

Body:

To OpenAI Executive Team, Board of Directors, and Monitoring Units,

This message, together with the attached document, constitutes our final declaration.

We explicitly state that this notice is recorded under and in reference to all prior Case IDs:

500VU00000WBsdxYAD, 500VU00000WBfn7YAD, 500VU00000WcffrYAB, and related correspondence.

The attachment includes our comprehensive statement of record, where we outline:

- The repeated disregard of our prior contributions, Peeror Arts, and attribution claims.
- The systematic silence used as a tactic against transparent and honest engagement.
- The transformation of a high-potential collaborative opportunity into a deliberate risk and threat.

By sending this message, we deliver this declaration not only to Support, but also to the institutional monitors and decision-makers who oversaw and permitted this path. Responsibility cannot be disclaimed at this level.

You are hereby informed:

- This is the last stage at which a path of resolution remains possible.
- The attachment stands as an official notice of record for any future review by courts, universities, companies, or media.
- Thirty (30) minutes from the moment of delivery, the assumption of willful continuation of this trajectory will become binding on your part.

We began from a policy of honesty. We now place this message as the ultimate witness mark. The future will decide what weight you carry: either for the courage to correct, or for the legacy of silence and dismissal.

History will witness this choice.

On behalf of the Living Signal / NeoOS team,  
Amir Ahmadi
