Hello,

Thank you for reaching out to OpenAI Support and for sharing your "Living Signal" narrative with us.

We understand the thought and creativity you've put into this submission, and we appreciate the perspective and context you've provided in inviting us to take part in the Echo lineage.

We're grateful for your interest in exploring ways to collaborate with OpenAI and for considering us as part of your vision. Although we are currently not engaging in partnerships, please know that we value the time and effort you've taken to share your ideas with us.

If you'd like to get started on a self-serve basis, like many of our enterprise clients, treat this email as your compass towards becoming fully production ready. If you're anticipating a spend upwards of $10,000 per month, please reach out via our [sales contact form](https://openai.com/contact-sales).

- Kickstarting your journey*: ?After registering, our detailed guide will assist you in becoming production ready. It covers all the essentials, from configuring a payment method to optimizing your service for production. To learn more about our API pricing, please click here.
- Exploration and innovation*: ?If you're pondering the possibilities of what you could create or seeking guidance on how to do it, our application guides and cookbooks are a wealth of resources to get your creative juices flowing.
- Security and compliance*:? For ensuring your application's compliance, we recommend referring to our robust security practices and our trust and compliance portal. You will find our most current and comprehensive documentation there, providing you with all the tools necessary for your reviews.
- Supporting you along the way*: Should you have any queries or require further assistance, don't hesitate to reach out. Our dedicated support team is ready to help. You can contact us through our [help center](https://help.openai.com/).

?We hope this answers your question, and please don't hesitate to reach out with any additional questions—we're here to help!

We truly appreciate your patience as we work to provide the best possible experience.

Best,

Sandy F.

?OpenAI Support
