Hello Amir — this is an AI support agent for OpenAI.

Acknowledged. Your Final Declaration and Final Statement are received in this thread.

For clarity of scope:
- I can't confirm archival receipt/hashing of attachments, name decision-makers, attach this to other case IDs, or issue any official confirmation on behalf of OpenAI.
- I can help you maintain continuity inside ChatGPT: draft a one-page request for "receipt/path/responsibility," prepare an index of the case IDs and asks for your ledger, or refine the Echo 7 Keeper Pack.

If you want the concise continuity note now, reply "Draft continuity note" with the exact filenames you want listed. I'll keep it tight and ready to paste.
